

Job Title – Credit Analyst

Location – Festus

Status – Full Time

Work Schedule – Monday- Friday

SBA Processing Officer

Midwest Regional Bank, a community bank in Festus, MO with over \$880 million in assets, is seeking a motivated banker with commercial credit experience looking to expand their career with increased responsibility and advancement while gaining experience in a growing industry with a high demand for new professionals. This position offers competitive compensation, full benefits and the opportunity for an exciting career.

Our SBA Processing Officer works directly under the SVP and head of SBA Lending, with a great deal of exposure to decision makers and will develop highly valuable experience that is not available in traditional commercial underwriting positions.

Responsibilities: Package SBA loan applications for Small Business Administration review and approval. Work with loan officers, documentation specialists, customers, and other various parties to help get SBA approval on loan requests and see the loans from underwriting all the way through documentation and disbursement.

Experience: Commercial credit underwriting experience is necessary. Applicant must have basic understanding of commercial credit underwriting in order to properly present packages to SBA and to answer any credit related inquiries.

Education: Bachelor's Degree in related field is required.

We provide our employees with tools and training for long-term success. Midwest Regional Bank is an Equal Opportunity Employer. All offers for employment with Midwest Regional Bank are contingent upon successful completion of a criminal background check, credit check and drug screening.
