Paying Interest	Your due date is at least 25 days after the close of each billing cycle. We will not charge you any interest on purchases if you pay your entire balance by the due date each month. We will begin charging interest on cash advances and balance transfers on the transaction date.			
For Credit Card Tips from the Consumer Financial Protection Bureau	To learn more about factors to consider when applying for or using a credit card, visit the website of the Consumer Financial Protection Bureau at http://www.consumerfinance.gov/learnmore/ .			

Fees	
Annual Fee	None
Transaction Fees: International Transaction	1% of each transaction in U.S. dollars.
Penalty Fees: Late Payment Returned Payment	Either \$15 or 5% of the past due amount, whichever is greater (maximum fee of \$25). \$10

How We Will Calculate Your Balance: We use a method called "average daily balance (including new purchases)." See your account agreement for more details.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in the account agreement that will be provided to you before you begin using your new card.

Prime Rate: The APR will vary based on changes in the Index, the Prime Rate (the base rate on corporate loans posted by at least 70% of the ten largest U.S. banks) published in the *Wall Street Journal*. The Index will be adjusted on the 25th day of each month or the business day preceding the 25th day if that day falls on a weekend or a holiday recognized by the Board of Governors of the Federal Reserve System. Changes in the Index will take effect beginning with the first billing cycle in the month following a change in the Index. Increases or decreases in the Index will cause the APR and periodic rate to fluctuate, resulting in increased or decreased Interest Charges on the Account. As of September 23, 2022, the Index was 6.25%.

^a We add 1.00% to the Prime Rate to determine the APR for Purchases, Balance Transfers, and Cash Advances.

The Account will never have an APR over 21%.
